

Dear Pat:

In getting to all those things you hadn't gotten around to by the end of December, you passed on to me Irving Kristol's letter of October 19 in which he brought to your attention the hope that there would be no problem in securing a visa for Fritz Rene Allemann.

Though the issue is O. B. E. at this point, I thought you might want to know that Mr. Allemann received his visa in Berlin on November 19.

Please keep in touch.

Warm regards,

Henry A. Kissinger
